

Creating
a culture
of Quality

Wednesday, February 7; Noon EST

What is a culture of quality?

Why is it important to invest in culture??

How do you create a culture of quality?

How do you assess a culture of quality?

For 3 years, Envigo has been nurturing an environment where quality stands above all else as their most important target.

Developing people is the key...how did they do it?

Hosted by:

Tammy Williams,
Associate Director of Operations

ENVIGO

"The Vivarium Operational Excellence Network's mission is to promote and exchange innovative methods and knowledge for managing laboratory animal programs around the world"
